PROPOSED SHARE CONSOLIDATION

The Board proposes that every twenty (20) Existing Shares in the share capital of the Company be consolidated into one (1) Consolidated Share.

Effects of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company is HK\$300,000,000 divided into 15,000,000,000 Existing Shares of par value of HK\$0.02 each, of which 4,955,763,588 Existing Shares have been allotted and issued as fully paid or credited as fully paid. Upon the Share Consolidation becoming effective and assuming that no Existing Shares are issued or repurchased from the date hereof until the effective date of the Share Consolidation, the authorised share capital of the Company shall become HK\$300,000,000 divided into 750,000,000 Consolidated Shares of par value of HK\$0.40 each, of which 247,788,179 Consolidated Shares will be in issue.

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank pari passu in all respects with each other.

Other than the expenses to be incurred in relation to the Share Consolidation, the implementation of the Share Consolidation will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders.

Conditions of the Share Consolidation

The Share Consolidation is conditional upon the following conditions:

1. the passing of an ordinary resolution by the Shareholders to approve the Share Consolidation at the SGM;
2. the Listing Committee of the Stock Exchange granting listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective; and
3. the compliance with the relevant procedures and requirements under Bermuda law (where applicable) and the Listing Rules to effect the Share Consolidation.

Listing application

An application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective.

Subject to the granting of listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange upon the Share Consolidation becoming effective, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becoming effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

Adjustments in relation to other securities of the Company

As at the date of this announcement, the Company has outstanding Share Options entitling the holders thereof to subscribe for a total of 1,186,400,000 new Existing Shares. Under the relevant terms and conditions thereof, the Share Consolidation may lead to adjustments to the exercise price and the number of shares falling to be issued upon exercise of the Share Options pursuant to the terms thereof. The Company will make further announcement(s) on such adjustment(s) as and when appropriate.

Save as disclosed above, the Company has no other outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Existing Shares or Consolidated Shares, as the case may be.

No change in board lot size

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lots of 6,000 Existing Shares. Upon the Share Consolidation becoming effective, the board lot size for trading in the Consolidated Shares will remain as 6,000 Consolidated Shares.

Based on the closing price of HK\$0.039 per Existing Share as quoted on the Stock Exchange as at the date of this announcement, the value of each board lot of 6,000 Consolidated Shares, assuming the Share Consolidation had already been effective, would be HK\$4,680.

Reasons for the Share Consolidation

The Share Consolidation will reduce the total number of Shares currently in issue. As such, it is expected that the Share Consolidation will bring about a corresponding upward adjustment in the trading price of the Shares. Moreover, as the market value of each board lot upon the Share Consolidation becoming effective will be higher than the market value of each existing board lot, the transaction cost as a proportion of the market value of each board lot will be lower as most of the banks/securities firms will charge a minimum transaction costs for each securities trade. Accordingly, the Board is of the view that the Share Consolidation is beneficial to the Company, the Shareholders and investors as a whole.

Save for the necessary professional expenses for the implementation of the Share Consolidation, the implementation of the Share Consolidation will not alter the underlying assets, business operation, management or financial position of the Company and the interests and rights of the Shareholders.

Taking into account of the potential benefits and the insubstantial amount of costs to be incurred, the Board is of the view that the Share Consolidation is in the best interest of the Company and the Shareholders as a whole.

As at the date of this announcement, the Company has no intention to carry out other corporate actions in the next 12 months which may have an effect of undermining or negating the intended purpose of the Share Consolidation, and the Company does not have any concrete plan to conduct any fund raising activities in the next 12 months.

Fractional entitlement to Consolidated Shares

Fractional Consolidated Shares will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

Arrangement on odd lot trading

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares, the Company will appoint a securities firm as an agent to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the circular of the Company.

Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers.

Exchange of share certificates

Subject to the Share Consolidation becoming effective, which is currently expected to be on Monday, 7 September 2020, being the second Business Day immediately after the date of the SGM, the Shareholders may during the period from Monday, 7 September 2020 to Thursday, 15 October 2020 (both days inclusive) submit existing share certificates for the Existing Shares (in the colour of blue) to the Company's branch share registrar and transfer office in Hong Kong, Tricor Standard Limited, at Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong, to exchange for new share certificates for the Consolidated Shares (in the colour of purple) at the expense of the Company.

Thereafter, share certificates for the Existing Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such other amount as may from time to time be specified by the Stock Exchange) by the Shareholders for each share certificate for the Existing Shares submitted for cancellation or each new share certificate issued for the Consolidated Shares, whichever the number of certificates cancelled/issued is higher.

After Thursday, 15 October 2020, share certificates for the Existing Shares will remain effective as documents of title and may be exchanged for share certificates for the Consolidated Shares at any time but will not be accepted for delivery, trading and settlement purposes.
